

AARON LEITZ: REMEMBER YOU MUST

April 28 – June 12

Remember You Must

Winston Wächter Fine Art is pleased to announce our first solo exhibition with Seattle-based photographer Aaron Leitz. Drawing upon the history of still life painting, the photographs in *Remember You Must* present vanitas scenes scattered with contemporary icons of nostalgia and pensive, colorful floral arrangements. Foregoing the stillness associated with representational photography for a painterly dynamic, Leitz experiments with long exposures and camera movements to achieve a ghostly afterglow. Children's toys from the 1980s function as cultural artifacts, displayed with a melancholic fondness for lost youth— memories just out of sight. Leitz visualizes the fleeting nature of life through etch-a-sketch skulls, forgotten video game consoles, and fragile bouquets all temporarily suspended in a dreamlike blur.

In addition to his conceptual photography, Aaron Leitz works as a commercial photographer for interior designers and architects throughout the country. He is currently based in Seattle.
