

AARON LEITZ:  
REMEMBER YOU MUST

WINSTON WÄCHTER FINE ART

## AARON LEITZ: REMEMBER YOU MUST

Using pensive, colorful floral arrangements to reference art historical Dutch vanitas paintings, Aaron Leitz's Remember You Must series creates scenes scattered with relics from childhood in the 1980s.

Iconic items like Trival Pursuit, Gremlins, ET, Etch A Sketch and Polo cologne all bring to mind a window of history, a time-capsule . Countless memories are brought forth with just a single image. Using long exposures and camera movements, Leitz adds a painterly feel to his photographs, enhancing the dreamlike feel of childhood memories.
